

Designer – Fashion Jewelry

Isharya is an internationally renowned Indian-inspired luxury fashion jewelry brand sold in over 600 retail and online stores worldwide.

We are looking for a Designer to our design team in Mumbai. The Designer will create fashion jewelry in a mix of materials including Swiss resin, ebony, agates, freshwater pearls, semi-precious and synthetic stones set in brass with 18k gold plating. The Designer will work alongside a talented group of designers, including the co-founder of Isharya. This is a very unique and exciting position with a global fashion jewelry brand.

Responsibilities

- Work closely with Creative Director and Founder to develop seasonal and core collections for the international markets (US, Europe, Middle East)
- Design new fashion-forward and core items to add to the collection every season
- Innovate with materials used and interpretations of Indian designs that will work for global customer
- Identify potential production, quality and costing issues and make appropriate recommendations while maintaining design intent
- Ability to manage workflow and ensure seasonal deadlines are met
- Technical Knowledge: Jewelry design and construction, prototype development, jewelry production, and production cycle timeline

Qualifications

- 1+ years design experience in fine or luxury fashion jewelry preferred
- Jewelry design graduate from top school (NID)
- Strong fashion sensibility, trend-conscious
- Creative thinker
- Previous international work experience strongly preferred
- Ability to motivate and lead a team and influence others
- Strong analytical skills
- Computer skills: Corel, Photoshop, Word, Excel, web-based applications.
- Excellent verbal and written communication skills
- Detail oriented with strong follow-through; ability to organize and prioritize multiple projects
- Have a sense of urgency in managing time and accomplishing tasks
- Demonstrate proactive problem solving skills

Thorough understanding of cross-functional dependencies

Create and maintain a cooperative team environment that promotes high performance standards and attainment of goals

Ability to solicit feedback for self-development

Domestic and International travel may be required
