

Hyundai Motor India Engineering Pvt. Ltd., Hyderabad , Andhra Pradesh

Regarding fresher's requirement, management is looking for Permanent Rolls, not Internship Program.

Job: Exterior Designer:

Following its founding in 1967, Hyundai Motor Company launched the "Pony", Korea's first independently developed model. By 1991, the company had succeeded in developing its own engine. Now, it stands as one of the world's top automobile companies with a 2012 global brand value of 7.5 billion dollars. The company connects with customers around the world through its sales network made up of 6,000 dealer and sales networks and 32 production and sales bases spread over 190 countries. With plants in Korea and throughout the world, including in the U.S., China, India, Europe, Russia, and Brazil, it has the capacity to produce over 4.5 million units a year. Hyundai Motor Company will continue to try its best to offer new ideas and visions of automobiles, both to customers and to society.

Hyundai Design Studio India is a digital based design studio located at Hyderabad in the state of Andhra Pradesh in India. The studio has played a significant role in many of Hyundai products. Additionally, you will have the opportunity to design for both our advanced concept vehicles focused on leading innovation and current Indian Market Trend. With Hyundai's rapid growth curve in the industry, we offer a fast-paced creative environment with an opportunity to have a huge design impact on numerous vehicles. We are currently seeking skilled and motivated designers to add to our team and continued success.
